PROFESSIONAL SUMMARY

Banking and business professional with experience spanning HNI relationship management, affluent and diaspora banking, customer onboarding, project management, operations, research, and stakeholder engagement. Currently serving as a Relationship Officer in HNI Banking, with exposure to client acquisition, deposit mobilisation, KYC, account opening, investment products, foreign exchange, remittances, customer retention, market research, and preliminary credit analysis. Currently pursuing an MBA with a specialisation in Risk Management at Ajayi Crowther University, building on a B.Sc. in International Relations from Caleb University. Brings commercial awareness, analytical thinking, research capability, project coordination, and stakeholder-management experience, with a developing professional focus on banking, risk management, strategy, and business operations.

PROFESSIONAL EXPERIENCE

NOVA BANK - LAGOS, NIGERIA

Relationship Officer, HNI Banking | *March 2026 - Present*

- Manage relationships with High-Net-Worth Individuals (HNIs), supporting client acquisition, retention, service delivery, and relationship development.
- Support affluent and diaspora clients with account opening, onboarding, KYC, remittances, foreign exchange, investment products, and other financial services.
- Drive customer acquisition and deposit mobilisation while identifying opportunities for product adoption and cross-selling.
- Manage client onboarding processes and ensure appropriate documentation and KYC requirements are completed.
- Provide ongoing customer support and coordinate solutions across relevant internal teams to address client needs.
- Conduct market and industry research to support client conversations, business development activities, and understanding of emerging financial-service opportunities.
- Prepare reports and maintain accurate client and business information to support relationship management and decision-making.
- Support credit-related activities, including preliminary credit analysis, while developing broader exposure to banking and financial-services processes.

GLOBACOM - LAGOS, NIGERIA

Customer Care Representative -> Supervisor, Right of Way (ROW) | *June 2025 - February 2026*

- Progressed from a customer-facing role into a supervisory position within the Right of Way (ROW) function.
- Coordinated stakeholder engagements relating to the deployment of underground fibre infrastructure and Right of Way requirements.
- Liaised with relevant government and external stakeholders to facilitate infrastructure deployment activities.
- Supported communication and coordination between internal teams and external stakeholders to address operational requirements.
- Developed practical experience in stakeholder management, negotiation, problem-solving, documentation, and project coordination.
- Managed customer-facing responsibilities in a high-volume environment, strengthening communication, service delivery, and issue-resolution capabilities.

WICKER BASKETS

Project Manager

- Managed four concurrent projects, coordinating teams of 4-7 personnel across production and delivery activities.
- Oversaw procurement, supplier coordination, production requirements, resource allocation, and project execution.
- Achieved 100% on-time project delivery while coordinating multiple project workstreams.
- Implemented process improvements that contributed to an approximately 12% reduction in project turnaround time.
- Coordinated stakeholders and suppliers to ensure materials, production activities, quality requirements, and deliverables remained aligned.
- Applied structured project planning and operational controls to improve execution and delivery.

BLACK CROWN ADVISORY - LAGOS, NIGERIA

Personal Assistant to the Managing Director | *January 2024 - March 2025*

- Supported the Managing Director with executive administration, stakeholder coordination, communications, scheduling, and strategic reporting.
- Coordinated information and communications across internal and external stakeholders to support effective execution of business activities.
- Prepared and managed professional documentation and business correspondence.
- Supported executive-level decision-making through research, information gathering, and structured reporting.
- Gained practical exposure to business operations, executive management, stakeholder relations, and organisational decision-making.

SILVERLIGHT RESEARCH GROUP

Research Analyst | *September 2025 - October 2025*

- Conducted international talent and professional research to identify professionals across multiple industries and functional areas.
- Sourced and screened professionals against specified international criteria, experience requirements, and client-defined specifications.
- Conducted online research and profile assessment to determine candidate suitability against defined requirements.
- Maintained accuracy and consistency while reviewing professional backgrounds across international markets.
- Supported research deliverables through structured information gathering, verification, and documentation.
